UNDERTAKING

This is to certify that our organization namely “**WOMEN EMPOWERMENT SOCIETY**” has installed the **CCTV** and **CCTV** live streaming is functioning and it will be possible to enjoy live streaming through our organization’s website just you have to login using user ID and password which will be provide you lately. Because we have used a device for internet use, but through this device internet service we are getting not so good. It may be cause high hilly area. So, we have decided to purchase another strong device to use internet that we can cover the CCTV live streaming. Within 20th August/2021 we will installed the device because of Communication of Inter District closed in Assam and Meghalaya due to Pandemic disease of Covid-19. All types of activities we are giving against Acknowledgment Number - **ML/AS/00002349/IPOP/06-21/51717**. We have given you this information in favor of our organization. Thank you.
